

Hope Charter Leadership Academy Student-Parent-Teacher-Administrator Compact Agreement

The mission of Hope Elementary is to provide children with the academic, emotional and social foundation necessary to launch a successful school experience. Our goal is to draw out the potential within every child by building accountability for student learning through parent, school staff and student. Students will be provided with leadership skills that will enable them to become visionaries and agents of change.

By 2017, 75% of students in grades 3-5 will be at or above grade level as measured by the State of North Carolina End-Of-Grade tests in both reading and math, and ***all students*** will demonstrate growth.

- Wear my school uniform properly
- Discuss with my parents what I am learning in school.
- Complete all school assignments carefully and to the best of my ability.
