## Parents Right to Know Notification

August 25, 2017

Dear Parent or Guardian:

This letter is to inform you that Hope Charter Leadership Academy is a Title I School. This means that our school receives funds from the Title I, Part A program. Title I, Part A is a federal supplement program designed to help children reach high academic standards. In receiving funds from this program the school has a requirement to inform you, as parents/guardians of children attending a Title I school, of information available to you regarding the professional qualifications of your child's classroom teacher(s). Information will be provided to you upon request in a timely manner for the following:

- Whether the teacher has met state qualifying and licensing criteria for the grade levels and subject areas in which the teacher is teaching;
- Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, including the field of discipline of the certification or degree; and
- Whether the child is provided services by paraprofessional and, if so, their qualifications.

You will also receive timely notice if your child is, for whatever reason, assigned, or has been taught for four or more consecutive weeks by a teacher who is not highly qualified. A highly qualified teacher would be defined as a teacher that meets North Carolina's qualification and licensing criteria for the grade level or subject area in which the teacher is providing instruction.

Sincerely,

Clarissa Fleming  
Principal
